

Quick Installation Guide

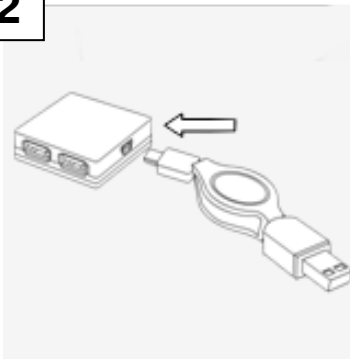

Model# USB220N

1

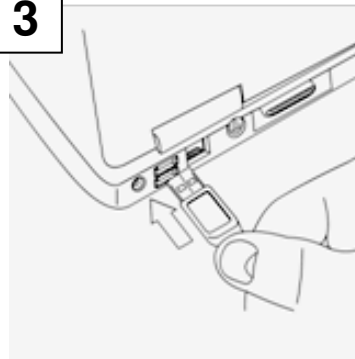

Turn on your computer.

2

Connect the retractable USB connector to the USB hub.

3

Connect the USB connector to an available USB port. Your new hub is now ready for use.

Note: A separate AC adapter (not included) may be needed for devices requiring additional power such as printers, scanners, and digital cameras. If additional power is required, you will need to purchase a 3rd party AC adapter (5 volt, 2.6 amps) with a 2.3mm connector from your local electronics store.
